

Registro de Probe RIPE Atlas

1. Cree una cuenta de acceso RIPE NCC ingresando al sitio <https://access.ripe.net/registration>

2. Llenar los campos del registro (Nombre, apellido, cuenta de correo y contraseña)

The screenshot shows the RIPE NCC website's registration page. At the top left is the RIPE NCC logo. To the right is a search bar with 'RIPE Database (Whois)' and 'Website' tabs, and a search input field. Below the search bar is a navigation menu with items: 'Manage IPs and ASNs', 'Analyse', 'Participate', 'Get Support', 'Publications', and 'About Us'. The main content area has a breadcrumb 'You are here: Home > Access' and a heading 'Create a new RIPE NCC Access account.' Below the heading is a paragraph explaining that RIPE NCC Access enables signing into various services with one password, and a link to manage an existing account. The registration form includes fields for 'First name', 'Last name', 'Email', 'Password (minimum length: 8)', and 'Confirm Password', followed by a 'Sign up' button. At the bottom is a footer with social media icons and a list of links: Home, Sitemap, Contact us, Service Announcements, Privacy Statement, Legal, Cookies, Copyright Statement, and Term of Service.

3. Concluido el alta de cuenta de acceso en RIPE, dirigirse a la bandeja de correo ingresada y seguir instrucciones para activar cuenta RIPE.

This screenshot shows the same RIPE NCC registration page as above, but with a yellow confirmation message box overlaid on the right side of the form area. The message reads: 'Thank you for registering to RIPE NCC Access. Please check your email and follow the instructions to activate your account.' The rest of the page layout, including the navigation menu and footer, remains the same.

Correo de activación p.e,

Asunto: RIPE NCC Access registration

Dear

Your registration for RIPE NCC Access was successful. To complete the registration and activate your account, please click on the following link:

<https://access.ripe.net/registration/0536a23e-6db6-4bda-9b1e-613e2456a656/>

If clicking this link doesn't work, please copy and paste it in a new browser window.

If you did not register for a RIPE NCC Access account, you don't need to take any further action and can disregard this email.

This email address cannot accept replies. If you have any problems or questions, please contact ncc@ripe.net.

4. Con la cuenta RIPE activada, ingresar a <https://atlas.ripe.net/register/> para registrar la sonda.

The screenshot shows the RIPE NCC Atlas registration interface. The header includes the RIPE NCC logo and navigation links like 'RIPE Database (Whois)' and 'Website'. The main content area is titled 'Register Your RIPE Atlas Probe' and includes a sidebar with navigation options. The registration form contains the following elements:

- Probe ID:** A text input field.
- MAC Address:** A text input field.
- Description:** A text input field.
- What's the connection speed like on your network?:** A dropdown menu with 'I don't know' selected.
- Delivery options:** A dropdown menu with 'From conference/training' selected.
- Please tell us where/when you received your probe *:** A large text area.
- Location:** A text input field with the placeholder 'Ingresa una ubicación'.
- Map:** A Google Maps interface showing a street view of a residential area.
- Terms and Conditions:** Two checkboxes: 'I'm willing to make my probe visible to the public' (checked) and 'I accept the RIPE Atlas Service Terms and Conditions' (unchecked).
- Register your probe:** A dark button at the bottom right.

NOTA: es importante contar a los datos de ID, MAC de la sonda y aceptar los términos y condiciones para concluir el registro de la sonda.

The screenshot shows the RIPE NCC website interface. At the top left is the RIPE NCC logo. To its right is a search bar with the text "RIPE Database (Whois)" and "Website" above it, and "Search IP Address or ASN" below it. Below the search bar is a navigation menu with items: "Manage IPs and ASNs", "Analyse", "Participate", "Get Support", "Publications", and "About Us". The "Analyse" item is highlighted. Below the navigation menu is a breadcrumb trail: "You are here: Home > Analyse > Internet Measurements > RIPE Atlas". On the left side, there is a sidebar menu with items: "RIPE Atlas", "About RIPE Atlas", "Get Involved", "Probes and Anchors", "Measurements, Maps and Tools", "Resources", "RIPE NCC Members", and "My Atlas". The main content area has a heading "Thank you for registering your RIPE Atlas probe!" followed by three paragraphs of text and a closing sentence. The first paragraph says: "All you need to do now is plug in your probe. You can learn how to do this, and find other useful information, under [Host a Probe](#)." The second paragraph says: "Once you have connected your probe, it should be listed on the [Probes](#) page. You'll also see it listed under the 'My Probes' tab when you are logged into the RIPE Atlas website. (It should appear there within several hours of connecting it.)" The third paragraph says: "As soon as your probe is connected, it will start performing measurements and earning credits that you can use to perform your own [user-defined measurements](#)". The fourth paragraph says: "As a new RIPE Atlas user, you will also be featured under the 'New Arrivals' section of the [RIPE Atlas Community](#) page." The fifth paragraph says: "You can learn more about RIPE Atlas in the [FAQ](#) and on [RIPE Labs](#), and take part in discussions on the [RIPE Atlas mailing list](#)." The final sentence says: "Thanks again for supporting RIPE Atlas!"

5. Conectar la sonda a la red para empezar a generar la información y sea visible a través del portal.
